

CHANCEL CHOIR HERALD

Choir Notes

October 5, 2011

1. Thank you for your good spirit in sharing a creative worship experience with Ken Medema last Sunday. He was pleased and I was glad that we all could be part of this meaningful worship service.
2. The happy hour is back, this time it will be JR HAPPY HOUR. A moment to share life stories over coffee or tea as a way to get to know each other better. Ryan and I will meet with small choir groups without an agenda for 50 minutes at the official Puertorican coffee time, 3:30PM. We'll meet at Panera's beginning Monday, October 17th. As usual, we invite but each one pays their own way... :) Please sign up to reserve your space!
3. March 16th is the date that has been chosen for the Winter/Spring choir party. If anyone has a club house or knows of a nice facility to have a party please contact Dotsie Erskine.
4. One last request—Remember, on Sunday morning you are all under the eye of the camera, as the service is being recorded for the TV program. Please be careful of your gestures and movements. We don't want to see you on Youtube.

GET TO KNOW YOUR CHOIR NEIGHBOR

Don't forget!! You will be having your pictures taken for this column on Sunday **October 9th**—so, put on your best smile ! :)

Rehearsal Order

Please have your music in the correct rehearsal order.

This week's anthem

The **anthem** "And the Father will Dance" by American composer Mark Hayes (b.1953) is based on Psalm 34: 2, 4. The principal subject or melody starts in a minor key but comes back at the end (recapitulation) on a major key to project the character of the text as it says "And He will joy over you in song".

In our Prayers

Choir Music and Folder Procedure

1. Enter through choir doors go directly to the Sanctuary.
2. Find your Folder in the bin and take a "Chancel Choir Herald". *All music and a pencil will be in your folder and in rehearsal order.*
3. After rehearsal, please put your music in your folder cubby spot (*not the bin where you picked it up*) in the choir room for Sunday.
4. Sunday is normal procedure. After robing, take your folder from your cubby, and bulletin from the table and go to your assigned seat in the choir room.
5. After Worship, please place that Sunday's anthem in the return music bin, and put your folder back in your folder cubby spot.
6. Our wonderful librarians each week will go through the folders and get them prepped for the next rehearsal.

If you take your folder home to practice, you will need to check-in each week with the librarians to receive your music.
