## Community Church Tees It Up for Teens!

Every year, our eighth thru twelfth graders travel to encounter and spread Christ while learning and experiencing an environment much different than our Vero Beach community (see page 7 for more info on this year's mission trip). While there are approximately 45 travelers, this mission trip encompasses contributions and efforts from our entire congregation – the epitome of this congregational support occurring in the form of our 3<sup>rd</sup> annual golf tournament, the "Community Cup".

This year, over 100 golfers will gather at Sandridge Golf Course on February 5<sup>th</sup> to "Tee it up for Teens" in a best-ball scramble featuring hole-in-one prizes, raffle give-aways, and a "Beat the Baggs" tournament, all made possible by the generous donations from families and businesses within our congregation and community. If you would like to participate in this event, please call the Church Office, (772) 562-3633.

As our youth program prepares to head to New Orleans, the excitement has already begun as we realize that our efforts to reach outside of ourselves and our community to make a difference in the world is an effort that involves our entire church family! Thank you for your generosity, and investment in our youth!

*Celebrating Our Gifts  
from God ... and then some!*

*You are the church. You are the chosen people.  
You are the ones who become Jesus' hands  
and feet in this community. And so we ask  
that you thoughtfully and prayerfully  
consider your gift to our 2011 Stewardship  
Campaign which we are entitling,  
"Celebrating God's Gifts...and then some."*

## Rummage Sale!!!

The Women's Fellowship is excited to hold their Spring Rummage Sale on Friday, February 11<sup>th</sup> (7:00 a.m. to 3:00 p.m.) and Saturday, February 12<sup>th</sup> (7:00 a.m. to 11:00 a.m.). Proceeds from the Rummage Sale go to local organizations such as the Abilities Resource Center, Senior Resource Association, Church Women United of IRC, Hospice, Safe Space, Literacy Council, Florida Sheriffs' Youth Ranch and the Restoration House. Some proceeds also go to the Back Bay Mission in Biloxi, MS, Florida UCC Women and scholarships for students in Honduras. All of these organizations depend greatly on donations from local churches, so take a gander through your attics, garages and closets for items to donate!

Donations will be accepted from Monday, February 7<sup>th</sup>, through Thursday, February 10<sup>th</sup>, from 7:00 a.m. to 1:00 p.m. Volunteers are crucial to the success of the sale, so if you can help, come for as many hours as you can and whenever you can! All help is greatly appreciated!

*Christ has no body  
now on earth but  
yours; yours are the  
only hands with  
which he can do his  
work; yours are the  
only feet with which  
he can go around  
the world, yours  
are the only eyes  
through which his  
compassion can  
shine forth upon a  
troubled world.  
Christ has no body  
on earth but yours.*

# SPIRITUALLY SPEAKING

## And Then Some...

My dear Friends,

We have such a wonderful church to celebrate. Nationally, our attendance figures put us in second place among all the churches of our denomination. Locally, we are recognized as a church willing to look beyond its own doors in order to help the marginalized, the lonely, the down and out. Our worship is televised five times a week because a generous gift, made some years ago, has funded the programming, allowing our homebound members to retain their ties to our church and feel they are still part of our family of faith. Our children are taught a healthy theology that focuses on a God of love. Our teens wrestle with real life issues and discern their Christian response. Our adult education classes seek to tackle subjects that are in the forefront of our faith commitment.

We are a truly great church, made so by you. By now you should already have received a pledge card for 2011. Our theme: "Celebrating Life's Gifts...and then some!"

is right on target. We are asking you to prayerfully consider the blessings with which God has blessed you, choose what you would be willing to give back, and then some. Our stewardship goal of \$1,735,000 is an aggressive goal, but one necessary to meet the many ministry demands upon our church.

There has never been a time when we, as a church, have been needed more in our community. So let us step up and step out. God is calling our church to do great things. I hope you will join in the response with your faithful pledge for the year - and then some.

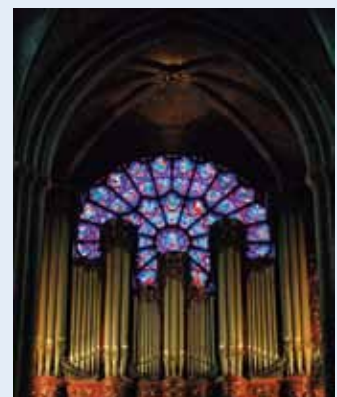

Peace to you,  
Bob Baggott

I am sure that most of you already realize that our new organ is extraordinary. You have witnessed the organ in worship and recitals. Now you will get two new opportunities to witness what this world-class instrument can do. On February 25<sup>th</sup> at 7:30 p.m. the Atlantic Schola Cantorum will perform, under the direction of Dr. Jose Daniel Flores, the *Solemn Mass for Choir and Organ* by Louis Vierne. In this same program, our own Associate Organist, Ryan Kasten, will feature one of Vierne's symphonies. French composer and organist Vierne was a student of Franck and Widor and made his name as organist at the Notre Dame cathedral until his death at the organ console during a recital. We anticipate that this will become one of your favorite composers, do not miss this concert!

The second opportunity to learn about the instrument is some informal lecture-demonstrations that our Music Director will offer after each Sunday worship during

February and March. More information about dates for this will be found in the Sunday bulletin.

## Making an Impact

### Saluting:

#### Bob & Ruth Inhoff

Bob and Ruth Inhoff joined our church exactly four years ago and have become invaluable in areas in which they each excel. Bob sings in the choir, is past chair of our Adult Ministry Board, and is very active with Habitat for Humanity's "Green Team" and helps them install electric wires. As an ordained minister, he spent 32 years supervising residential housing facilities for the American Baptist Association. Ruth has been an excellent Vice-chair of the Missions Board and leader of Mary's Circle. They have two daughters and five grandsons.

### Starting Afresh!

Realities create opportunities to start afresh! Though the Missions Ministry funding from church operating income is lower in 2011, we take this reality as an opportunity to reassess what we do, how we do it, and for whom we do it. A true Blue Ribbon group of experienced thinkers and planners will look deeply into the interaction between our congregation and our community as it relates to missions. Headed by John Reynolds, and with the participation of select church members and volunteers from the Missions Board, they will recommend a better plan to combine the time, talent and treasure of our church with that of our community. The goal is to have a comprehensive plan ready for presentation to church leadership by the end of May. Everyone benefits from a thorough re-evaluation!

### A Remarkable Year!

Though the economy has been dismal, you and your fellow congregants have reached out admirably, more than in any recent year, in support of people needing help. We began with an extraordinary response to the Haiti earthquake by sending \$64,276 to help reestablish schools, families of educators, church leaders and others connected with Haiti Partners. Three members of our congregation spent multiple days there, surveying needs. During Easter you donated \$40,000+ to be used to help with housing, hunger and health issues in our county. Multiple fundraisers were held in the fall to provide shelter, food and Christmas gifts for local children. Finally, at Christmas your outpouring of care for five local agencies and for Inanda Seminary resulted in contributions totaling \$42,500 to support their missions. In addition to dollars, hundreds of volunteer hours have been unselfishly given in hands-on service to local agencies, serving their boards and committees and individual projects. A truly remarkable year!

### Hope... Construct... Change

We've all been confronted with what appears to be an insurmountable problem ~ maybe job-related, perhaps a relationship, even a health issue. It's when we come up with a realistic solution that we begin to sense hope once again. When we take constructive steps and see progress take place we are able to actually see the shape of the improvement. And, finally, the change is incorporated forever into our daily lives. So it is for each new Habitat homeowner. You see it in their eyes and hear it from them during the opening and dedication ceremonies. A home changes their lives forever.

Volunteers with hands and a heart are needed to help them change their lives. If you can paint or hammer or just pick up construction debris, you can help. "Food Angels" also have an important part in keeping the energy flowing. Stop by the Missions Outreach table on Sunday during the Fellowship Hour and talk with Bob Inhoff, our liaison about this home build.

## TO YOUR HEALTH!

February is "Heart Month". Heart disease is the leading cause of death in both women and men in the U.S. Early diagnosis of a heart attack increases chances of survival and decreases the amount of heart damage. Chest pain, nausea, shortness of breath, and/or discomfort/pain in the jaws and/or arms are some symptoms to be evaluated immediately.

### Sunday Parking

In respect of residential neighbors, please avoid parking on any of the side streets surrounding the Church. You can conveniently park on 25<sup>th</sup> Street where the old County Administration Building was located, be picked up at your car and shuttled to the Sanctuary. After services, the shuttle will conveniently take you back to your car. Within the Church parking lots, please park as closely as possible and avoid excess space between cars. Recently, the fire marshal required us to make the curb along the side and back of the Education Building a no parking fire lane. Please do not park along the red curb. Doing so puts you at risk of being cited or towed by order of the fire marshal. Thank you for your cooperation.

# AROUND OUR CAMPUS

## Welcome to Entrée: It's a course to fellowship.

Entrée is another way to meet members of your church, to relax and enjoy each other's company in a way you couldn't normally do during a worship service. It's a monthly event the way you would like it to be. A rotation once a month for four months acquaints you with a diverse group of older to younger, single to coupled, golfer to couch potato, reader to movie watcher, and perhaps, not one of the eight knows how to cook! So go out to your favorite restaurant, club, order-in, grill, or yes, cook up a storm from your favorite cookbook. The most important thing is to get to know one another and develop relationships as close as you want them to be.

There's seven or eight in each group, and an Entrée host will organize the next dinner in February. From there on in, it's up to the group when you meet each month. Your rotation will end after four months, and you'll then switch to another diverse group for another four months of nurturing and developing new friendships. But first, you have to join and participate. Contact Leslie Shaw at [leslie.shaw@ccovb.org](mailto:leslie.shaw@ccovb.org) or 469-2320 and let her know you'll entrée into Entrée. You'll have fun at these light-hearted parties, and bon appetite! After all, the real dessert is the friendships you'll develop through Entrée: A course to fellowship.

## Like to Bake Cookies?

Budget crunches have eliminated our chef's position, so now you have a chance to use your skills to help with cookies for Fellowship Hour! Bake a batch as often as you like and drop them off on Fridays. Then come and enjoy them with a friend on Sunday morning!

## Children

*Sunny days, sweepin' the clouds away.*

*On my way to where the air is sweet.*

*Can you tell me how to get, how to get to...*

The Community Church! That's right - I said The Community Church! Did you know that each and every week we have something for your children to be excited about? Every week our children get to experience our faith hands-on! With the generous giving of our congregation, our children are provided with the opportunity to play, create, and learn the stories of the Bible in a state-of-the-art building! From making "Meatball Stones in Blessing Sauce" in The Galley to re-creating their very own "10 Commandment Scrolls" in Noah's Art, our children are understanding our faith with their hearts, their minds, and their hands!

The week doesn't end on Sunday. Every Wednesday in the Fall and the Spring, we offer numerous choir programs and kids classes during our Community @ Community program. Starting at 5:00 p.m.

families enjoy fantastic food and inter-generational fellowship in our Community Hall. At 6:00 p.m., our different classes begin for all ages around the campus. Parents are really enjoying Cappuccinos and Conversation with Dr. Bob while their kids enjoy their various classes!

On Mondays, join the Walk and Talk Group led by Char Higgins, Community Church mom and Director of Family Life and Formation. The group meets every Monday at 9:00 a.m. in the Courtyard. Friends, strollers, troubles, and joys are all welcome!

The energy and vitality of our vibrant Family Ministry is contagious! Will you catch it? Know that when you are at Community, you are somewhere where you and your child are cared about, loved, and nurtured every week, every day, and every minute! Ahh...this air is sweet!

Blessings!

Liz Trax

Matthew 19:14

"...Jesus said 'Let the little children come to me, and do not stop them; for it is to such as these that the kingdom of heaven belongs'."

## HAPPENINGS...

On Sunday, January 16<sup>th</sup>, the congregation celebrated a special moment in the faith journey of our 3<sup>rd</sup> grade students by presenting each of them with a new Bible. Afterwards, the children and their parents participated in the Children's Ministry "Opening the Bible" Milestone Workshop where they explored their new Bible and worked together building a life-size Goliath. Let's rejoice in this step of their journey with God!

## Preschool

The children of the preschool continue to have fun while learning and growing! The rest of our school year includes several fun events such as the St. Jude Trike-A-Thon, where the children learn about bicycle safety as they raise money for the St. Jude's Children's Hospital, and our annual musical presentation.

Fall enrollment for in-house children and church members will be February 21<sup>st</sup> to the 25<sup>th</sup>. Please call Stephanie Morby at (772) 469-2326 for more information.

Isaiah 40:30-31  
“Even youths will faint and be weary, and the young will fall exhausted; but those who wait for the Lord shall renew their strength, they shall mount up with wings like eagles, they shall run and not be weary, they shall walk and not faint.”

## Youth Mission Trip 2011 Hosted by HandsOn New Orleans

When Hurricanes Katrina and Rita devastated the Gulf Coast, HandsOn Network made an immediate and serious commitment to address the devastation and support Gulf relief and recovery efforts through targeted volunteer action. HandsOn New Orleans and HandsOn Gulf Coast (in Biloxi, MS) were launched to serve the vast needs of communities directly impacted by the storms. The focus, then and now, was bringing their project management expertise to bear, in order to more effectively deploy volunteers eager to help.

Since Katrina and Rita, HandsOn New Orleans has mobilized over 17,200 volunteers to provide over 542,000 hours of service to the New Orleans community. HandsOn New Orleans began by partnering with the First Street United Methodist Church in Central City in order to house 100 volunteers per night. Initially projects consisted of gutting and mold treating homes and have since developed into revitalizing neighborhoods,

schools, and community spaces. HandsOn has evolved from a disaster response project into a thriving resource center for grassroots service project by launching an array of new programs; including a Tool Lending Library, a Youth Engagement Corps, and no-cost Volunteer Leader Trainings.

HandsOn New Orleans is partnered with over 50 non-profit organizations and allows groups the opportunity to experience different types of mission projects in different areas of the city, allowing them the diversity to fully understand the city of New Orleans and the privilege of serving.

For more information on this year’s mission trip, call Neal Watkins at 469-2316.

## Community Church Families Celebrate Communion, Epiphany as a Whole

On January 9<sup>th</sup>, the children and youth worshipped with their families in Community Hall in a worship led by the Family Ministries staff and the Plugged-In Worship Band. In a refreshing opportunity to be together in church, the families sang, laughed, took communion by intinction, and began the new year, in the spirit of Epiphany, searching to claim and spread the light of Christ! We are excited to share this opportunity again in the near future!
