Stewardship Update:

With grateful hearts, we want to thank you for the many ways you continue to support the life and ministry of our congregation. Your generosity, prayers, and faithful giving are a blessing, and they help make possible the work we are called to share together.

As we continue through this season of stewardship, we wanted to share a brief update on where we stand in reaching our **\$2,000,000** operating goal:

Together, pledges and commitments, including the **\$100,000** matching gift, along with non-pledged gifts received to date, total **\$1,769,589** toward the 2026 Stewardship Goal. That leaves **\$230,411** still needed to meet the goal.

The 2026 budget increased by **\$200,000** from 2025 to provide additional ministerial help and support our growing ministry needs. Since our current income is tracking in line with historical giving patterns—including the final quarter of the year, which past years show brings in more than \$300,000 in non-pledged gifts—church leadership believes we are in a **very good position**. We receive this progress with gratitude and hope, trusting that with continued participation and prayerful support, we can meet and perhaps exceed our **\$2,000,000** goal.

Thank you again for your faithful generosity and for the spirit of care and commitment you bring to this congregation. We are grateful to walk this journey of ministry with you.
