## Stewardship Update:

Every Pledge Matters  
Every Commitment  
Makes **"More"** Possible

**PLEDGES MADE BY JUNE 1  
WILL BE MATCHED \$1 TO \$1**

## Beloved in Christ,

We're excited to share a special opportunity to double the impact of your annual pledge to The Community Church of Vero Beach. This year, your pledge can go even further through a special **Challenge Grant** from an anonymous donor—matching commitments in two powerful ways:

- **If you pledged last year:** every **\$1** you **increase** your pledge this year will be matched **\$1-for-\$1**.
- **If you're making a new pledge:** your **entire pledge** will be **matched**.

This is a simple way to unlock matching funds and help close the gap on our anticipated shortfall. Your pledge, especially any increase, helps us plan confidently and respond quickly when needs arise.

Please respond with your pledge commitment by **June 1** so we can include your increased or new commitment in the Challenge Grant match. Thank you for helping us grow our impact.
