With Gratitude

Everyone,

I cannot measure the gratitude in my heart for the gestures and expressions of caring and support that I have received from the congregation and staff of our church. I am reminded that whatever role we play, we are part of the Community Church family.

It began with a surprise. I never expected that a bouquet chosen from the altar flowers would arrive at my house the first Sunday after my surgery. A delivery that became more of a personal visit when Susan Langley, with her usual smile, warmth and affection, brought the bouquet to our door. Thank you, Susan, and everyone else who was part of such thoughtfulness.

That evening, when Skye returned home after an early concert at the church, he said that he had lost count of the number of people who had asked about my welfare and offered their best wishes. Hearing that was overwhelming.

I will close by telling all of you that I cannot find the words to capture the value and meaning my time at our church has held for me, both personally and professionally. I look forward to returning so that I can thank you in person.

Rick Heller, Facilities Manager

Friends,

You may have noticed a new instrument in last week's Sanctuary worship.

We would like to extend our sincerest gratitude to **Logan Koller**, organist and member of the Music & Fine Arts Ministry team for donating the use of his Viscount Cantorum Trio Plus portable organ while we await the repairs on our pipe-organ.

We are pleased to announce that Logan will continue his dedicated service to our church and our music ministry, joining us in worship during these next few weeks, while Su Lee travels to South Korea.

Sincerely,
Jill Truax, Director of Music & Fine Arts
Su Lee, Associate Director of Music

Thank you, Community Angels

Because of **you**, our gift boxes in the Church Office have been overflowing!

Today is the last day to bring gifts and give birthday joy to a local child in need.

September-At-A-Glance
